# We Are Societal Impact

Collaborative design for government, society, media, ethics and justice.
*Collaboratief ontwerp voor overheid, maatschappij, media, ethiek en justitie.*

**Hosted by:** Foundation We Are

## Project Information (EN)

The design collective Foundation We Are initiated by Austrian designer Bernhard Lenger is releasing its five new programs in the exhibition “we are societal impact” during Dutch Design Week 2019 at their new headquarters in the old Campina milk factory in

## Projectinformatie (NL)

Foundation We Are opent haar nieuwe hoofdkantoor in Campina en presenteert er de vijf thematische programma's die aantonen welke impact design kan hebben op mondiale vraagstukken. Elk programma toont de maatschappelijke domeinen waar het collectief zich i
