

Re-Birth-Trauma as performative process

Project Information (EN)

The 'Re-Birth' installation stands on ashes scattered on the land in Puglia, southern Italy. These are the ashes of olive trees that made Puglia one of the mildest climates in the world. Olives are a major economy here, but the trees are now heavily affected

Projectinformatie (NL)

De 'Re-Birth' installatie staat op de as die verspreid is over het land in Puglia, Zuid-Italië. Dit is de as van de olijfbomen die Puglia tot een van de zachtste klimaten ter wereld heeft gemaakt. Olijven zijn hier een belangrijke economie, maar de bomen
