

# Matters of Reassembly

## Project Information (EN)

Matters of Reassembly confronts the user's concepts of assigning value to materials with 6 interior objects in the context of the private domestic space. The objects are made from metal elements from discarded electric appliances and objects of our daily

## Projectinformatie (NL)

Matters of Reassembly confronteert de gebruiker met de manier waarop de materiële waarde wordt gehecht met 6 meubelstukken. De objecten bestaan uit metalen elementen van afgedankte elektrische apparaten, maar ook uit takken en gespleten hout van bosbouwwe
