Dutch Digital Design

How digital technology can connect: a selection of the best Dutch digital design.
Een selectie van het beste Nederlandse digitale design, samengesteld vanuit het thema van de Dutch Design Week.

Hosted by: Dutch Digital Design

Project Information (EN)

The world around us is digitising at an ever increasing speed. The corona virus crisis has only accelerated this process. Digitisation is enabling people to connect, via screens and smart devices. Everything seems possible. But how do we cope with intimac

Projectinformatie (NL)

De wereld om ons heen digitaliseert steeds sneller, versneld door de Corona crisis. Digitalisering stelt ons wel in staat om mensen met elkaar te verbinden, via schermen en slimme apparaten. Maar hoe ontwerpen we die digitaliserende wereld? Hoe zorgen we
