Tasting the Bitter Sour Symphony, a sugar-sweet experience.

Revolutionizing the perspective on sugar and sweetness.
Een revolutie op onze kijk naar suiker en zoetigheid

Hosted by: Mingco Glastra

Project Information (EN)

Sooner or later in our life, we have to cope with diabetes, cancer or heavy medication. Either directly ourselves, or indirectly through family and relatives. Medical patients who are under heavy medication often have to put up with tasteless food or an a

Projectinformatie (NL)

Vroeg of laat krijgen we in ons leven te maken met diabetes, kanker of zware medicatie. Dit kan zowel direct als indirect door middel van familie en kennissen. Medicinale patiënten die zware medicatie ondergaan hebben vaak te kampen met smaakloos eten of
