Paper Gardens

Hosted by: Paper Gardens

Project Information (EN)

Paper Gardens proposed to reimagine the opening event of the Salone del Mobile and its volatile, even consumeristic character, as a place for interaction and cultivation. Imagining each guest as a gardener and an explorer, the installation transformed the

Projectinformatie (NL)

Het project, gepresenteerd op het openingsevenement voor van de Salone del Mobile met zijn vluchtige, zelfs consumentistische karakter, staat voor een plek voor interactie en cultivatie. Elke gast verbeeld als een tuinman en een ontdekkingsreiziger, de in
