

The New Intimacy - Bodies, Objects and Spaces

Project Information (EN)

The COVID-19 pandemic poses the question in what kind of future we want to live together. The most important policy measure taken in this context is a distance rule (varying from 1 to 2 meters in European countries) between people. What does (physical) di

Projectinformatie (NL)

De COVID-19 pandemie stelt de vraag in wat voor toekomst we samen willen leven. De belangrijkste beleidsmaatregel die in dit verband wordt genomen, is de afstandsregel (variërend van 1 tot 2 meter in Europese landen) tussen mensen. Wat betekent (fysieke)
