Project Information (EN)

The food system no longer bears any relation to the people it evolved to serve. Every time we make a food choice, if we have the luxury of choice, we are voting with our forks and putting money and power in the hands of the few. The flawed food system all

Projectinformatie (NL)

Het voedselsysteem heeft geen relatie meer met de mensen waarvoor het is bedoeld. Met elke voedselkeuze stemmen we met onze vorken en vloeit er meer geld en macht in handen van enkelen. Het systeem zorgt voor overschotten en verspilling, terwijl miljoen
