About the partners

• Dutch Digital Design Dutch Digital Design is a collective that shares the very best Dutch digital work created by designers and agencies from the Netherlands, selected by their curators, to attract new business, partnerships and talent. DDD’s network of speakers promotes their Dutch Digital Design vision at events around the globe. • Frame Frame is dedicated to exploring what's next in spatial design and they are always on the lookout for what's happening on the cusp of innovation and creativity. Most of us spend approximately 90% of our lives indoors. Therefore, Frame believes that better spaces lead to better lives. • Stay Future Proof Stay Future Proof believes in future value creation that adds value to people, planet and prosperity in this continuously changing VUCA world we live in. With a structured business design approach, they help organizations look for new sustainable value propositions and business models, besides running the existing business. Furniture provided by Sofacompany, additional designs by Pepijn Fabius Clovis, Pepe Valenti and Teun Zwets, facilitated by isola.
