Project Information (EN)

Introducing movement into static environments with human powered work furniture.

With A Simple Machine HeijltjesAkkaya disrupt static work environments with movement and momentum. A Simple Machine combines ergonomics and engineering to promote physical activity in the workplace. Its pulleys, weights and levers, powered by human energy, enable a new working rhythm.

Projectinformatie (NL)

Analoge werkmeubelen die aanzetten tot beweging.

HeijltjesAkkaya laat techniek en ergonomie een nieuw ritme aangaan om passiviteit op de werkplek te doorbreken. A Simple Machine vraagt spierkracht. Een fysieke handeling die contragewichten, hefbomen en katrollen aanzet tot verandering.
