# Messmerizing - Human Nature

Wonky like objects that make you reconnect to matter . Presented during MESSMERIZING - creating a human future exhibition - Eindhoven central station.
*Gekke objecten die ervoor zorgen dat je opnieuw verbinding maakt materie. Tijdens MESSMERIZING- creating a human future op Eindhoven centraal.*

**Hosted by:** Sandra Keja Planken

## Project Information (EN)

## Human centric works that play with your imagination

The works of Keja-Planken embrace your brain. Creations that relax through shape, texture and colors. The imagination incorporated in colours, various materials, treatments, textures and techniques literally makes you part of it. Objects that are Human-centric and give you your own imagination. Art and design enthusiasts love to embrace the sustainable works of Keja-Planken in their homes. Keja-Planken touches the fantasy and makes you feel it. Not only in her works of art, but also through her talent and power to let people experience new thing. In both live and visual worlds presented during DDW she will let you experience her thoughts and utopia. ## Projectinformatie (NL)

## Human-centric werken die je verbeeldingskracht uitdagen

De werken van Keja-Planken omarmen je brein. Creaties die door vorm, textuur en kleuren ontspannen. De verbeelding verwerkt in kleuren, diverse materialen, bewerkingen, texturen en technieken maakt je letterlijk onderdeel. Objecten die Human-centric zijn en je je eigen verbeeldingskracht meegeven. Kunst- en designliefhebbers omarmen de sustainable werken van Keja-Planken dan ook graag in hun huizen. Keja-Planken raakt de fantasie en laat het je ook voelen. Niet alleen in haar kunstwerken, maar ook door haar talent en haar kracht om te laten beleven en ervaren. in zowel haar real life als virtuele wereld en objecten neemt ze je tijdens DDW mee in haar gedachten en Utopia.
