

Philips (Design) Museum

Exhibition Philips Museum and Design Talks Philips Experience Design
Expositie Philips Museum en Design Talks Philips Experience Design

Hosted by: Philips Museum / Philips Experience Design

Project Information (EN)

Exhibition

Especially for the DDW there is an exhibition in the Philips Museum with prize-winning designs. Discover how Philips Experience Design designers try to improve global healthcare. Registration in advance at the Philips Museum is not necessary, everyone with a DDW wristband can enter for free.

Design Talks

Every day during Dutch Design Week, we'll be hosting LIVE Design Talks, where you can hear and learn from our top-talent designers about all the 'behind the scenes' tools, processes and insights they've picked up along the way. Program: - Monday 18 October - 10:00 (CEST) - Philips Healthdot by Jeroen Keijser - Monday 18 October - 16:00 (CEST) - Radiology Operations Command Center by Luciano Arnold, Natacha Pontes, Gabriela Istan - Tuesday 19 October - 10:00 (CEST) - CoreCare by Jos-Marien Jansen, Eva Deckers - Tuesday 19 October - 16:00 (CEST) - CPRD Training Kit for Low-Middle Income Settings by Patray Lui, Simona Rocchi - Wednesday 20 October - 10:00 (CEST) - Critical Care Experience Suite by Sachin Behere - Wednesday 20 October - 14:00 (CEST) - The history of Philips Design by Sergio Derks - Wednesday 20 October - 16:00 (CEST) - Philips One by Sonicare by Shaun Choi - Thursday 21 October - 10:00 (CEST) - Autonomous Healthcare Vision and Health Mobility by SeYoung Kim - Thursday 21 October - 16:00 (CEST) - Taking Care of Yourself by Sander Bogers, Nicole de Klein, Eva Deckers

Projectinformatie (NL)

Expositie

Speciaal voor de DDW is er in het Philips Museum een expositie te zien met prijswinnende ontwerpen. Ontdek hoe de designers van Philips Experience Design gezondheidszorg verbeteren. Vooraf aanmelden bij het Philips Museum is niet nodig, iedereen met een DDW-polsbandje kan gewoon gratis naar binnen.

Design Talks

Tijdens Dutch Design Week organiseren we elke dag LIVE Design Talks, waar je kunt horen en leren van onze topontwerpers over hun 'behind the scenes' tools, processen en inzichten. (De Design Talks zijn in het Engels) Programma: - Maandag 18 oktober - 10:00 (CEST) - Philips Healthdot door Jeroen Keijser - Maandag 18 oktober - 16:00 (CEST) - Radiology Operations Command Center door Luciano Arnold, Natacha Pontes, Gabriela Istan - Dinsdag 19 oktober - 10:00 (CEST) - CoreCare door Jos-Marien Jansen, Eva Deckers - Dinsdag 19 oktober - 16:00 (CEST) - CPRD Training Kit for Low-Middle Income Settings door Patray Lui, Simona Rocchi - Woensdag 20 oktober - 10:00 (CEST) - Critical Care Experience Suite door Sachin Behere - Woensdag 20 oktober - 14:00 (CEST) - De geschiedenis van Philips Design door Sergio Derks - Woensdag 20 oktober - 16:00 (CEST) - Philips One by Sonicare door Shaun Choi - Donderdag 21 oktober - 10:00 (CEST) - Autonomous Healthcare Vision and Health Mobility door SeYoung Kim - Donderdag 21 oktober - 16:00 (CEST) - Taking Care of Yourself door Sander Bogers, Nicole de Klein, Eva Deckers
