Seasoning Fall - Special Edition DDW - Rough&Ready

This special edition of Seasoning Fall will feature live performances emerging from and with the curated Dutch Design Week exhibition program.
This special edition of Seasoning Fall will feature live performances emerging from and with the curated Dutch Design Week exhibition program.

Hosted by: United Cowboys

Project Information (EN)

Quarterly curated performance event series.

Local, national and international guest artists develop and show their new work and research in a transdisciplinary program. An artistic dialogue with dance, music, performance and fine arts, in which physicality predominates.

Ticket Required / Discount applies for DDW ticket holders
