# LittleWood© mini urn

A unique wooden mini urn to hold and cherish • designed by Harm Rietveld.
*Een unieke, houten mini urn om vast te houden en te koesteren • designed by Harm Rietveld*

**Hosted by:** Designer and craftsman Harm Rietveld

## Project Information (EN)

The little urn contains a brass treasure chest (6 ml) in which you can keep a memento of someone who has passed. A lock of hair, perhaps, some sand (for example if your loved one’s ashes were scattered at sea), a note, a necklace, a piece of fabric or som

## Projectinformatie (NL)

De LittleWood© mini urn is een handformaat urn die mensen kunnen vasthouden en koesteren. In de kleine urn zit een messing schatkamertje (6 ml) waarin je een aandenken van een overledene kun bewaren. Zoals as, een plukje haar, zand (bijvoorbeeld als je di
