HOMEomorphism

Hosted by: NEE NEE Collective

Project Information (EN)

When invisible enemies rigorously expand its territory, we find ourselves contained, sealed, and inhibited from trespassing the world outside the doorsteps. During this time of seclusion, the domestic space faces a challenge to exercise the maximum versat

Projectinformatie (NL)

Wanneer onzichtbare vijanden zijn territorium grondig uitbreiden, worden we verhinderd om de wereld buiten de drempels van het huis te betreden. In deze tijd van afzondering staat de woonruimte voor een uitdaging om haar maximale veelzijdigheid te benutte
