Online DDW conferentie & exhibitie

Hosted by: ENTRY

Project Information (EN)

The world in 2020 has taken a drastic turn, with the current pandemic and the urgent environmental threats, the dialogue with China is more pertinent than ever. BIAN □ , meaning change in Chinese refers to the Daoist "science of metamorphosis” which c

Projectinformatie (NL)

De wereld in 2020 heeft een drastische wending genomen - met de huidige crisis en de urgente milieubedreigingen is de dialoog met China relevanter dan ooit. BIAN □ , wat verandering betekent in het Chinees, verwijst naar de taoïstische "wetenschap van
