Designing Transformation: System Design Framework

A design framework for creating measurable transformation within complex systemic challenges.
Een design framework voor meetbare transformatie binnen complexe maatschappelijke uitdagingen.

Hosted by: De MEDEWRKN

Project Information (EN)

In this framework we work with concepts such as Social Function Systems, Complexity Theory and Systems Thinking based on the work of Niklas Luhmann (Social Systems), Dave Snowden (Cynefin Framework) and Donella Meadows (12 Leverage Points). Designing Tran

Projectinformatie (NL)
