

Party 'Objects for a New Kind of Society'

Hosted by: Dutch Invertuals

Project Information (EN)

PARTY

Dutch Invertuals and The Future Laboratory explore how design can foster Equilibrium Cities – future urban zones where collective ownership, fluid identities and nature are empowered to thrive. The Future Laboratory has the expertise to forecast futures, Dutch Invertuals the power to imagine and build these futures. “We need to rethink our relationship with objects and our role as designers within our society” – Wendy Plomp, Design Director of Dutch Invertuals DETAILS October 22 19:00 - 23:00 Reservations required: <https://bit.ly/3zHLVfy> NOTES - Location: Fuutlaan 12B, Eindhoven - We will follow the latest Covid-19 rules and regulations. “The world’s Equilibrium Cities will be built on a foundation of nature, but they will evolve through intersectional architecture, new economic models and responsive healthcare – some will even establish new populations in the virtual realm” – Britt Berden, Art Director of The Future Laboratory.
