Labor Lab #3: Leisure for Life

Speculative installations that question the future of work and workplace

Speculative installations that question the future of work and workplace. After chapter 1 and 2, get ready for 3!

Hosted by: studio LONK

Project Information (EN)

After chapter 1 - the workspace//healthcare institution//spa ‘Senior Spaces’ and chapter 2 - the ultimate AI office ‘Queen B’, we are happy to spread the word, collect ideas and gather partners for the final chapter of Labor Lab: Leisure for Life.

Projectinformatie (NL)
