The Phantom of design

Hosted by: The Phantom of design

Project Information (EN)

“The phantom is an architect, a designer, a composer, a magician: a genius turned to madness.” Today, more than ever before, the duration of an object’s life is extended indefinitely and multidimensionally by means of (digital) sketches, scans, photogr

Projectinformatie (NL)

Tegenwoordig wordt, meer dan ooit tevoren, de levensduur van een object oneindig en multidimensionaal verlengd door middel van (digitale) schetsen, scans, foto's of virtueel 3D-gerenderde beelden. Deze kunnen allemaal worden beschouwd als hulpmiddelen om
