Bloom

Fun and functional, 'Bloom' brings light and joy to your living space. More on www.georgious.nl
Leuk en functioneel, 'Bloom' brengt licht en vreugde in uw leefruimte.

Project Information (EN)

Bloom is a functional, beautiful, fun to use wall light. Inspired by NASA solar panel technology. The light in its closed position gives a dimmed diffused light. Turn the central dial and the lamp unfolds, increasing both in size and brightness. The

Projectinformatie (NL)

Bloom is een functionele, mooie en fun wandlamp. Geïnspireerd door NASA-zonnepaneeltechnologie. De lamp in gesloten positie geeft een gedimd licht. Draai aan de centrale knop en de lamp ontvouwt zich, zowel in grootte als in helderheid van het licht.
