ANOTHER BRICK in the WALL

“The boundary is an edge where things end; the border is an edge where different groups interact.” Richard Sennett

“The boundary is an edge where things end; the border is an edge where different groups interact.” Richard Sennett

Project Information (EN)

‘ANOTHER BRICK in the WALL’ is a dynamic system intended for primary schools and is meant to become an integral part of the architecture, its framework can be fitted to any space. It transforms the static structure of a wall into a fluid construction wher

Projectinformatie (NL)

‘ANOTHER BRICK in the WALL’ is een dynamisch systeem bedoeld voor basisscholen en transformeert de statische structuur van een muur in een vloeiende constructie waar kinderen aan beide zijden van de muur met elkaar kunnen communiceren. Het systeem kan aan
