Project Information (EN)

An artistic design project born during lockdown, made of packaging waste.

After attending Milan Design Week at Isola Design District (4-10 September 2021) Senzaquadro presents at "Only Good News" exhibition at Pennings Foundation, two pieces strongly linked to the change we experienced during the pandemic.

Projectinformatie (NL)

Een artistiek ontwerpproject geboren tijdens lockdown, gemaakt van verpakkingafval.

Na het bijwonen van de Milan Design Week in het Isola Design District (4-10 september 2021) presenteert Senzaquadro op de tentoonstelling "Only Good News" bij Pennings Foundation twee stukken die sterk verband houden met de verandering die we tijdens de pandemie hebben ervaren.
