

PrettyPlastic tiles

Circular Cladding

Circulair Gevelbekleding

Hosted by: Bureau SLA, Overtreders W & Pretty Plastic

Project Information (EN)

Pretty Plastic

PrettyPlastic© is a cladding material that gives discarded building products a second life. Made of old window frames, downspouts, and rain gutters, PrettyPlastic© shows that waste can become beautiful.

Projectinformatie (NL)

Pretty Plastic

PrettyPlastic© is een bekledingsmateriaal dat afgedankte bouwproducten een tweede leven geeft. Gemaakt van oude kozijnen, regenpijpen en regengoten, laat PrettyPlastic© zien dat afval mooi kan worden.
