

Transform the present, ignite the future.

Projects of the Industrial Design department of the University of Applied Sciences HTW Berlin

Hosted by: HTW Berlin / Industrial Design Department

Project Information (EN)

Smart and intelligent product solutions

We present the core competences of our study program in Sustainability, Universal Design and Experience Design. The results include concepts, models, prototypes as well as experimental design. Be curious and experience our booth!

Projectinformatie (NL)

Intelligente productoplossingen

We presenteren de kerncompetenties van ons studieprogramma in Duurzaamheid, Universal Design en Experience Design. De resultaten omvatten zowel concepten, modellen, prototypes als experimenteel design. Wees nieuwsgierig en ervaar onze stand!
