

This is where we make

Hosted by: Fontys University of Applied Sciences, TU/e Urban Labs and TAC

Project Information (EN)

-

At the heart of one of Eindhoven's preeminent breeding grounds for artistic production, we explore the value that cultural incubators and creative hubs generate for society, and we celebrate the placemakers that shape makerspaces nationwide. This program is a coproduction of TAC, TU/e Urban Labs and Fontys University of Applied Sciences, as a conclusion of their joint research project 'Bloeiende Broedplaatsen'.
