Project Information (EN)

To Riso or Not is an initiative of Wobby.club and Make Eindhoven

Each year six talented illustrators and visual artists are given the opportunity to experiment with Make's facilities and Wobby's own risoprinter. This year, Radek Górniak, Mizuki Kimura, Jiaojiao Li, Kasper van Moll, Carlyn Westerink and Fynn van der Ziel were selected for the To Riso or Not working weeks. (10-21 October) Under the watchful eye of Koen Taselaar, they experimented with graphic techniques and the riso printer.

Projectinformatie (NL)

To Riso or Not is een initiatief van Wobby.club en Make Eindhoven.

Elk jaar krijgen zes getalenteerde illustratoren en beeldend kunstenaars de kans om te experimenteren met de faciliteiten van Make Eindhoven en Wobby's eigen risoprinter. Dit jaar waren Radek Górniak, Mizuki Kimura, Jiaojiao Li, Kasper van Moll, Carlyn Westerink en Fynn van der Ziel geselecteerd voor de To Riso or Not werkweken. (10-21 oktober) Onder het toezicht van Koen Taselaar experimenteerden zij met grafische technieken en de risoprinter.
