

A night at autovitesse

Project Information (EN)

During Dutch Design Week, Design Studios 136 is hosting an exhibition featuring recent design academy graduates and more young talent. In collaboration with huis henk visch, this exhibition will take place at art space autovitesse. On saturday night, The 18th we will organize an evening where the exhibition comes to life. An evening filled with music, cider , design and good company. We hope this event brings all generations of design in eindhoven together. We invited our design academy tutors, internships an other connections from the design field we made throughout the years. We hope this will be a night full of interesting conversations where new connections are made. Our introduction to the the design world.
