

Unplug Vernissage

Project Information (EN)

A temporary escape within the design week While the city pulses with ideas, innovation, and creative energy, we invite visitors to step aside for a moment. Unplug is a short holiday between one project and the next. We reshape the raw, industrial space into a tactile environment. Unplug Vernissage: On Saturday 18th of October you are invited for our opening party from 18:00 to 00:00 in the Unplug Beach Bar. Let's connect on Balearic beats by Vision Machine. Location: Plug-in-City, Leidingstraat 17A (Strijp-S), Eindhoven Plug-in-City - a creative community established in a city in motion.
