Project Information (EN)

Isn't it odd. We can only see our outsides, but nearly everything happens on the inside. - C. Mackesy

99% of who we are is not visible to the eye. But NUDA shows you her naked truth. She expresses every emotion that is so overwhelming that she cannot be captured in words. NUDA literally steps out of her body and shows you the true colors of her emotion.

Projectinformatie (NL)

Isn't it odd. We can only see our outsides, but nearly everything happens on the inside. - C. Mackesy

99% van wie we zijn is onzichtbaar en ongrijpbaar. Maar NUDA toont je de naakte waarheid. Ze is de expressie van elke emotie die zo overweldigt dat ze niet meer met woorden te bevatten is. NUDA treedt letterlijk uit haar lichaam en laat alle emotie voor zich spreken.
