Every change of the season United Cowboys invites audiences to the arthouse to witness new developments in the field of live-art.

Hosted by: United Cowboys - Arthouse

Project Information (EN)

What will you experience?

Next to the durational piece 'Boys Just Wanna Have Fun' (15:00-23:00), the program will consist of solo dance performances and free entrance to the installations of the DDW participants.

Solo dance performances by: Revé Terborg, Fleur de Decker and Sameepta Lamba, inspired by a poem of spoken word artist Dean Bowen. For Seasoning Fall United Cowboys invited three solos that also work as independent works.

In addition the pop-up performance 'Radialsystem' by Polina Sonic will be presented. This performance will occur at irregular times during the evening.

The program is being curated by the artistic team of United Cowboys: Maarten van der Put en Pauline Roelants

A valid ticket is required.

Note: Student discount applies to DDW ticket holders.
