

Melt Lamp

Exploring the beauty of pure form, transforming it across dimensions and objects. Observing how aluminium reacts to light.

De schoonheid van pure vorm verkennen en die transformeren over dimensies en objecten heen. Onderzoeken hoe aluminium op licht reageert.

Hosted by: We Are Mak Studio

Project Information (EN)

MELT & BOBBER LAMPS

Exploring the beauty of pure form, transforming it across dimensions and objects. Observing how aluminium reacts to light.

Projectinformatie (NL)

De schoonheid van pure vorm verkennen en die transformeren over dimensies en objecten heen. Onderzoeken hoe aluminium op licht reageert.
