TALKS

Our “TCL Talks” is a talk show by and for students, which we produce nine times a year—three times from the Design Week (DDW) and six times from our P8 TV studio on the Stappegoor Campus in Tilburg.

The topics are determined based on previous graduation projects, so that they reflect what our graduating students are working on.

Live stream: October 19, 21, and 23, 10:30–11:00

TALKS

Onze 'TCL Talks' is een talkshow door/voor studenten, die we 9 keer per jaar maken, 3x vanaf de DDW, en 6x vanuit onze P8 TV studio op Campus Stappegoor in Tilburg.

De onderwerpen worden bepaald aan de hand van eerdere afstudeerprojecten, zodat de onderwerpen weergeven waar onze afstudeerders mee bezig zijn.

Livestream: 19/21/23, 10:30 - 11:00
