

The Attention Fair

Project Information (EN)

THE ATTENTION FAIR.

explore the future of your data.

The Internet has enriched our lives. More and more devices are connected with us and each other, designed to make our lives comfortable and efficient.

Projectinformatie (NL)

THE ATTENTION FAIR.

explore the future of your data

Het internet heeft ons leven verrijkt. Steeds meer apparaten worden verbonden met ons en met elkaar, om zo ons leven comfortabel en efficiënt te maken.
