

MAK playful ISLAND

Hosted by: MAK STUDIO & MAKUS

Project Information (EN)

Movable MAK ISLAND is a daily reminder to re-engage with the world. Designed to spark playfulness, interaction, to gather around, create, share stories, cook and bring a unique character into a space. More than stillness, it represents movement and transformation. It's an evolving companion, breaking boredomness, a symbol of joy,curiosity, human connection,an iconic piece making us and the space alive. MAK ISLAND & MAK kitchen editions are two striking, multifunctional pieces redefining how we interact with space. The MAK kitchen is a bold reimagination of the traditional kitchen. It invites people to play, connect, and rediscover the joy of everyday rituals. It transforms cooking into a social, flowing experience, creating memorable moments. Visitors will experience MAK island - a piece for any space from home, showroom to workshop.Our mission is to create playful, meaningful,flexible design that brings personality and freedom into life. It's furniture with a soul, a statement of how we want to live,connect, feel and PLAY! Designed to move with you, the mobile island merges timeless form, pure materials, and dynamic function, creating an anchor point wherever life unfolds.Crafted from powder-coated steel and finished wood, with elegant storage options and a rolling design. A true centerpiece, like a modern fireplace, brings people together, becoming part of their life. It is more than a piece of furniture. It's a functional artwork: bold, customizable, evoking emotions and changing how the space feels. Built to last, but also to grow, As a lifetime companion the top part can be dismantled for any needed repair or color change if desired. Our goal is to spark curiosity and joy, bring colors through objects that feel alive, move are full of possibility and connect.
