

Shape Shifters

Project Information (EN)

The magical concept of shapeshifting must be deeply ingrained into our psyche, as it is a popular theme in myths and fairy tales, in shamanism and witchcraft, in religious texts and science fiction, in the arts and culminating in our modern ‘make

Projectinformatie (NL)

Het magische concept ‘shapeshifting’ - gedaanteverandering - moet wel diepgeworteld zijn in onze psyche want het is een populair fenomeen in mythen en sprookjes, in sjamanisme en hekserij, in religieuze literatuur en science fiction, in de kunsten én i
