

Urban Terrazzo

Project Information (EN)

Whenever an old building has to be demolished or its core removed, an enormous amount of demolition waste is produced. What seems like a pile of rubble, can actually be the beginning of a great material story.

The design

Projectinformatie (NL)

Whenever an old building has to be demolished or its core removed, an enormous amount of demolition waste is produced. What seems like a pile of rubble, can actually be the beginning of a great material story.
