

DRIVE 2019

Design Research & Innovation Festival
Design Research & Innovation Festival

Hosted by: CLICKNL

Project Information (EN)

How can creative professionals seduce people to eat more sustainably? How can health be taken into account when designing buildings? How does design facilitate the energy transition, and how can the creative industry help agents with their safety?

Projectinformatie (NL)

Hoe kunnen creatieve professionals mensen verleiden om duurzamer te eten? Hoe kan gezondheid mee worden genomen bij het ontwerpen van gebouwen? Hoe faciliteert ontwerp de energietransitie, en hoe kan de creatieve industrie agenten helpen met hun veilig
