

ACADEMIE ARTEMIS GRADUATES 2019

THE FUTURE IS OUR CREATION.

THE FUTURE IS OUR CREATION.

Hosted by: Academie Artemis

Project Information (EN)

The exhibition at Dutch Design Week 2019 shows what is relevant for the future of food, interior, fashion, media, retail and society in its entirety. There will be presented concepts for products, spaces and communication. Expect a lot of inspiring books,

Projectinformatie (NL)

De expositie van lichting 2018 laat zien wat relevant is voor de toekomst van food, interieur, mode, media, retail en de maatschappij in zijn geheel. Stap in de beleving van deze trendanalisten en verwacht inspirerende conceptboeken, audiovisuele-, texti
