

LEAF & TREE biophilic-circular

For the most inspiring interactions, bringing nature into the interior.

Interieurproducten die de schoonheid en circulariteit van de natuur naar binnen halen.

Hosted by: StudioVIX

Project Information (EN)

Biophilic-circular for wellbeing & inspiration. So is the acoustic pinboard LEAF made of felt from 100% recycled textiles, filled with acoustic insulation from old jeans. By high pressing the jeans fibers we achieve a very good acoustic insulation

Projectinformatie (NL)

Biophilic-circulair voor inspiratie en welzijn. Zo is het akoestisch prikbord 'BLAD' gemaakt van vilt van 100% gerecycled textiel, gevuld met akoestische isolatie van oude spijkerbroeken. Door de jeans hard te persen behalen we de hoogste akoestische w
