

ZEMĚ ATELIER

Virtual renderings rooted in excellent artworks.

Virtuele renders ingeworteld in uitstekende kunstwerken.

Hosted by: Area 51

Project Information (EN)

Země Atelier was conceived with an aim to deepen the understanding of art by using modern technology.

Renderings present paintings in another way, artworks consisting of geometric stains. Each brush stroke becomes a plan filled with colorful masses, that

Projectinformatie (NL)

Země Atelier is bedacht met als doel het begrip van kunst te verdiepen door gebruik te maken van moderne technologie. Renders presenteren schilderijen op een andere manier, kunstwerken bestaande uit geometrische vlekken. Elke penseelstreek wordt een plan
