

Dare to Feel: Use your Senses and Enter the World of Intimacy

Hosted by: Dare Design - studio

Project Information (EN)

Intimacy is strongly based on touch and smell. ‘Dare to Feel’ is a series of products which will create an intimate and safe to release emotions place by using these key senses. The low seat sofa is a space to spend time together or to be o

Projectinformatie (NL)

Intimiteit is sterk gebaseerd op aanraking en geur. ‘Dare to Feel’ is een reeks producten die een intieme en veilige plek creëren om emoties de ruimte te geven met behulp van deze belangrijke zintuigen. De lage zitbank is een plek om tijd samen door te b
