

Ravi Naidoo and Anna Noyons talk Social Design

Project Information (EN)

Creating real life impact through design pt. I

Social Design is hot! Meaningful Design; Design for Social Impact; What Design Can Do. Designers want to change the world for the better, help society and solve every problem out there, so much is

Projectinformatie (NL)

Real-life impact door design: Deel I

Social Design is hot! Impact Design; Betekenisvolle Design; What Design Can Do. Ontwerpers willen de wereld veranderen, de planeet redden en een oplossing voor elk probleem hebben, zoveel is duidelijk. Maar
