

Neon Moiré Show Live: Current State of Women in Graphic Design

Project Information (EN)

What does it mean to be a female designer in the age of social media, or to become a public speaker at creative conferences? We'll tackle these questions and many more with graphic designers Simone Trum and Loes van Esch from Team

Projectinformatie (NL)

spreker te worden op creatieve conferenties? Deze vragen en nog veel meer bespreken we met onder andere grafisch ontwerpers Simone Trum en Loes van Esch van Team Thursday (NL), typografisch ontwerper Hansje van Halem (NL) en curator van momenten Kali N
