

BLEND

Hosted by: Ward Wijnant

Project Information (EN)

The project BLEND is inspired by the thought that out of one and the same tree, the same wood, different kind of patterns and structures can be gained. BLEND is based on the idea to visualize the effect of different sawing techniques by emphasizing the wo

Projectinformatie (NL)

Het project BLEND is ontstaan vanuit de gedachte dat uit één boom, hetzelfde hout, meerdere patronen en structuren kunnen worden verkregen. BLEND laat het effect van verschillende zaagtechnieken zien door de houtnerf te benadrukken. Bij kwartiers gezaagd
