DDW Talks: Social Design

What is the future of social design?
Wat is de toekomst van social design?

Hosted by: Dutch Design Week

Project Information (EN)

On this Social Design day we will explore a number of best practices in social design by Reframing Studio and MUZUS, from conversation pieces to system changes. We discover how diverse the field really is and what is all involved. Based on the Field H@

Projectinformatie (NL)

Op deze Social Design dag nemen we je mee door enkele best practices in social design door o.a. Reframing Studio en Muzus, van conversation pieces tot systeemverandering. We ontdekken hoe divers het vakgebied eigenlijk is en wat er allemaal bij komt kijke
