

DDW Talks: Future Living

How will we live in 2040?

Hoe we wonen in 2040?

Hosted by: DDW Talks

Project Information (EN)

Winy Maas, founding partner of MVRDV architects, Johannes Torpe of Johannes Torpe Studios and Anna Dekker of Studio Lonk talk about their off the track design solutions on the topic, with pioneering interior design and architecture concepts that push past

Projectinformatie (NL)

Johannes Torpe en Studio Lonk vertellen over hun bijzondere ontwerpoplossingen, met baanbrekend interieurontwerp en architectuurconcepten die de traditionele grenzen overschrijden. Daarbij gaat het niet alleen om de mensgerichte wind die door de interieur
