

Rethinking Plastic, design with a mission

Rethinking Plastic shows products and projects by designers from all over the world who have approached the plastic crisis as a design challenge.

Rethinking Plastic toont producten en projecten van nationale en internationale ontwerpers met de plasticcrisis als ontwerpuitdaging.

Hosted by: Yksi Expo

Project Information (EN)

‘Rethinking plastic: design with a mission’ is an update of the exhibition that was briefly shown at Yksi Expo during the World Ocean Day last June, in collaboration with Searious Business and the Dutch Design Foundation. The rethinking-plastic.com websit

Projectinformatie (NL)

‘Rethinking plastic: design with a mission’ is een update van de tentoonstelling die afgelopen juni kortstondig te zien was bij Yksi Expo tijdens de World Ocean Day, in samenwerking met Searious Business en de Dutch Design Foundation. De website rethinkin
