Project Information (EN)

However one defines labour, society is challenging the value of work and its importance on our global well-being. Visibility and ethical labour sourcing have become factors in the branding and acceptance of both small and large companies. Stemming from th

Projectinformatie (NL)

Hoe men arbeid ook definieert, de waarde van werk en het belang ervan voor ons welzijn is momenteel in flux. Zichtbaarheid en ethische werving van arbeidskrachten zijn factoren geworden in de branding en acceptatie van zowel kleine als grote bedrijven. Am
