

The Reframing of Being Forgotten

Visualizing Korean Traditional Dance, Music; SINAWI

Hosted by: Suk Go

Project Information (EN)

SINAWI Sinawi is improvisation and an oral music genre within Korean Traditional; the notes are never written down. By creating a music score that visually reflects the nature of the only 4 different sounds such as plain, trembling, bending and resonati

Projectinformatie (NL)

MOVEROUND MOVEROUND is een website die alle informatie integreert, en het doet mensen beseffen waarom volksdans snel in de vergetelheid is geraakt en waarom alleen oud materiaal uit de geschiedenissectie overblijft. Op moveround.ml vind je alles over dez
